

“And so we know and rely on the love God has for us. God is love. Whoever lives in love lives in God, and God in them.” — 1 John 4:16

Tuesday Night News:

“Well Done, Good & Faithful Servant”

It was over seven years ago that our beloved Pastor Jake led the team to launch La Mesa. Since that time he has been a faithful servant here, helping shape this ministry, raising up numerous leaders and serving cheerfully at La Mesa. He has accepted a call to be Campus Pastor and Director of Campus Ministries at Concordia Austin. His last sermon at La Mesa will be November 9th.

We have been immensely blessed by him over the years and will treasure the relationships that he forged with so many of us. While we will miss Pastor Jake and all he does, we are thrilled that Jesus is calling him to lead more people to Jesus in Texas.

Thank you Pastor Jake for pouring into us, this ministry, and impacting the lives of so many. We will miss you! Well done, good and faithful servant!

Matthew 25:23: His master said to him, ‘Well done, good and faithful servant. You have been faithful over a little; I will set you over much. Enter into the joy of your master.’

Cliff's Bead Dazzlers

We have a jewelry group at the Cliff's 55+ Park in Mesa. We just recently named our Group "Cliff's Bead Dazzlers." Our Park Management donated \$200 for bead supplies to make Cross bracelets for

La Mesa Ministry for the upcoming Holiday Season. What a fun day we had making jewelry. So blessed to live in this Park. And, Michelle and Geoff Nedry donated the cards. God is Good, All the Time.

Can You Help Me Get a Place?

"I was told that La Mesa can help me get a place to live" This is a common comment we get when individuals call or stop by the Resource Center. The majority of those asking are hoping we have an immediate fix. "We can help you, but we don't have any housing waiting for you to move into. If you are willing to put in some effort, we can make it happen. "Great, what do I need to do?" "If you have an income or are just starting a new job, we have a financial management class that is offered on Tuesday evenings starting at 5:30pm until 7:15pm. It is four weeks long and the first class starts the first Tuesday of every month. Once you complete the course and pass the final exam, we can assist you with 50% of your security deposit and pay for your application fee. That is only after we get you pre-approved and find an apartment you can afford based on your newly created budget. Of course, you must prove you have your half of the money saved up along with the cost of your first months rent. If your income isn't too high, we can also help you furnish your apartment." Wow, that's great, where do I sign up?

La Mesa Ministries has had over thirty individuals complete the financial management class since it started in March of 2020. Out of those thirty, twelve have moved into an apartment and through our partner "Furnishing Dignity" they were provided with furniture and all of their needed household items. To date all but one still has their apartment and are doing great. Most of them still attend LaMesa or serve in some fashion.

This is not an easy task but when we allow Jesus to direct our paths and we work together change can happen. La Mesa has an amazing team of trainers who devote themselves to using their God given talents to assist those in need. Even though they are not doing this for recognition it wouldn't be right not to mention these amazing servants of La Mesa. Greg Boerwinkle is our lead trainer and original organizer of the classes. He has Renee Bennett, along with Ron and Vickie Wilson doing the training as well.
