SERVANTS!

Most people do not know all of the different leaders that help La Mesa serve the community. There are not just a few people running the ministry. God has brought a variety of great leaders to serve in their various capacities. La Mesa runs because so many people give their time, talents, and treasures. There are many others who make La Mesa happen each week and we are thankful for each and every one of you! Jesus tells us in Matthew 25:40: “Truly, I say to you, as you did it to one of the least of these my brothers, you did it to me.” ***Thank you to all of these good and faithful servants!***

What Makes the Resource Center Tick

It takes a lot to operate a nonprofit that provides resources to the community. It couldn't be done without the dedication of our volunteers. We have many who volunteer to make things happen at the Resource Center, but we have a special volunteer who remains behind the scenes and is constant no matter what. She enjoys being behind the scenes and she doesn't want any accolades, and we couldn't do what we do without her. Her name is **JOAN**, and she has been working behind the scenes almost as long as we have been open. She began by coming into the office and taking care of the filing once a week. If you only knew what a blessing that was to keep things organized. A little over two years ago she began to monitor our phones. The resource Center purchased a cell phone for Joan to use that is connected to our office phone. When a message is left, it is automatically transferred to the cell phone. No matter where Joan is located or where she is traveling the cell phone goes with her. It can ring on a weekend or a holiday, it doesn't matter - Joan is there to take the message and return the call. She is the first point of contact for those needing help and we can't think of anyone else we could have taking on that role. Joan tells us, "I am blessed every day answering the phone for La Mesa Ministries. I found my calling from God by being on the frontline with La Mesa Ministries." We are so very thankful for Joan and for all our volunteers. If you would like to support and volunteer for the Resource Center or for our Mobile Loaves food truck, please contact us by going to our website: <https://lamesaministries.org/want-to-serve/> and click on the "Get in Touch" tab.
