PRAYER MATTERS!

At La Mesa, the community has many needs. Sometimes we are able to help, and other times we are not. One thing that we can always do for the community is pray. Each week we collect prayer requests so that we can pray for God’s people during our service. But we do not have to wait to pray until the Prayer portion of the service. Anybody at any time can pray for our community! There are times when we are walking around collecting prayers that we encounter someone who is really struggling or anxious. We pray for them right on the spot. As Pastor Jake used to tell us when we first started La Mesa, “Stop, drop and pray!”

The great thing is that **anyone** can do that for our community! It matters! Numerous times we see people brought to tears or visibly touched that we would pray for them right at that moment. As Jesus tells us in Matthew

21:22 And whatever you ask in prayer, you will receive, if you have faith.” God hears all prayers and we love praying with and for his people!

God's Project – Coming Soon

Eden Village of Arizona, (#God's Project) a beautifully designed micro-home community that offers economical, permanent housing within a nurturing and supportive environment for permanently disabled men and women. Developed by John 1334 Ministries, this transformative project is dedicated to loving and serving our differently-abled neighbors, providing them with a safe and welcoming place to call their own.

The Eden Village Community will feature 21 charming one-bedroom tiny homes, designed in a delightful mid-century modern style reminiscent of the light, open, and airy homes built by Joseph Eichler in the 1950s and 1960s. Each home will include a fully equipped kitchen, a comfortable bathroom, a cozy living space, and a private gated front patio. The homes will be fully furnished, each boasting a unique, bespoke interior design tailored to its residents.

Community amenities will enhance the quality of life for all residents, including large, landscaped open spaces perfect for social gatherings, an outdoor grilling and dining area for enjoyable meals with friends and neighbors, and a private dog park where residents can relax with their furry companions. The inviting clubhouse will offer spaces for community events, office facilities, and laundry facilities. A community garden will provide a tranquil space for residents and neighbors to come together, plant, and harvest while building meaningful connections.

Supporting Eden Village is a testament to the communities' commitment to social responsibility and compassion, creating a more inclusive and empathetic community. Eden Village is more than just a housing development; it's a place that enhances community spirit by fostering relationships and support.

Eden Village of Arizona would not happen without the support of our sponsors. (a partial list below) You too can be a proud sponsor of this amazing #God's Project. Go to: lamesaministries.org/edenvillageaz/ to find out how!
